2020 Fall and 2021 Winter Course Offerings

Codes Used in the Timetable Listings

Course/Section Code and Title

You may review the course description related to any undergraduate Daniels course at:
https://daniels.calendar.utoronto.ca/course/CourseCode by replacing 'CourseCode' with the eight digit course code, e.g. ARC100H1/VIS431Y1.

The final letter of the course code is the section code:
F indicates that the course meets in the fall/first session (Sept. to Dec.);
S indicates the the course meets in the spring(winter)/second session (Jan to Apr.); and,
Y indicates the course meets through the full academic year (Sept. to Apr.).

The first line of each course title matches the course title found within the Daniels Faculty Undergraduate Academic Calendar. A subtitle, which gives additional information about a course meeting section, may or may not also be shown.

Mtg. Sec. (Meeting Section)

Each course has a primary meeting type in which students enrol via ACORN and may also have a secondary meeting type.
At Daniels, when courses have both a **P**RActical component and **L**ECture, the PRActicals are the primary meeting type and the LECtures are considered the secondary meeting type; and, where courses have both a LECture and TUTorial meeting type, the LECture sections are the primary meeting type. On ACORN, you must request your primary meeting type for a course first by choosing one primary meeting section and then choose one secondary meeting type section. ACORN will allow students to waitlist only for primary sections.

Where you find more than one primary section (LEC/PRA) listed, select the one that is offered at the time most convenient for your schedule. Follow the same logic for choosing your secondary section and remember that you must enrol in both LEC&TUT or PRA&LEC where they exist.
  E.g. for JAV130H1S, choose one of the LECture meeting sections first and then add on one TUTorial meeting section.

Delivery Methods:

In Person vs. Online:
Fall term courses will all be able to be taken fully Online at Daniels. When circumstances allow, some additional opportunities may be made

available to attend in person events or to use in person resources. All courses for fall term appear as only online as no alternative or additional grading will be available for those students who may be able to take advantage of in person resources as they become available through the fall term. Where online courses will be offered as asynchronous, this will be noted in the 'subtitle' section directly below a course title with additional information found in the enrolment controls section on the right. At this time, most undergraduate Daniels course instructors are planning to offer their courses as synchronous.

Daniels is currently planning to offer all Spring term courses in person(*). (*This will be subject to any adjustments that are imposed by public health requirements for physical distancing.)

In Person
A course is considered to be offered In Person if it requires attendance at a specific location and time for some or all course activities.(*) (* Subject to adjustments imposed by public health requirements for physical distancing.)

Online – Synchronous
A course is considered Online Synchronous if online attendance is expected at a specific time for some or all course activities, and attendance at a specific location is not expected for any activities or exams.

 Online - Asynchronous
A course is considered Asynchronous if it has no requirement for attendance at a specific time or location for any activities or exams.

Day, Time, Location and Instructor

The day of the week is represented by the leading letter of each weekday (except for Thursday), i.e. **M**onday/**T**uesday/**W**ednesday/Thu**R**sday/**F**riday. Course meeting times are shown using a 12 hour clock format with am/pm and all times shown are in Eastern Standard Time (i.e. local to Toronto, ON time).

Each meeting location consists of a two letter building code followed by a room number or a TBA. Building locations can be found at: http://map.utoronto.ca/ Room descriptions for buildings other than **DA**niels (1 Spadina Cres.) can be found at: http://ace.utoronto.ca under 'Room Info'. This website includes Accessibility information related to rooms, buildings and building amenities.

When known, instructors are listed. Many Daniels' instructors have profiles and contact information available at: https://www.daniels.utoronto.ca/people

Enrolment Controls

N.B. The ACORN system does **NOT** check prerequisites/corequisites and exclusions in real time when enrolling in courses. Students are

responsible for fulfilling prerequisites and co-requisites; students enroled in courses for which they do not have the published prerequisite or co-requisites may have their registration in those courses cancelled at any time without warning. If you have been granted a waiver for any prerequisite/corequisite/exclusion, please ensure that a copy of your waiver is on file with the Office of the Registrar BEFORE enrolling in your course.

Course registration begins Monday, July 13, 2020.

Date	Course Enrolment
Monday, July 13	Year of Study 4 starts
Thursday, July 16	Year of Study 3 starts
Monday, July 20	Year of Study 2 starts
Thursday, July 23	Year of Study 1 starts
Wednesday, July 29	Last day **P**riority Enrolment applies
Thursday, July 30	Unavailable for the day
Friday, July 31	**P** courses become available to all John. H. Daniels Faculty of Architecture, Landscape and Design (ARCLA) and Arts and Science (ARTSC) undergraduate students
Tuesday, August 4	Unavailable for the day
Wednesday, August 5	**P** courses become available to St. George Campus undergraduate faculties, i.e. KPE/APSC/MUSIC/FIS
Thursday, August 6	Unavailable for the day
Friday, August 7	Non-Degree Student starts
Friday, August 7	**P** courses become available to all University of Toronto Mississauga and University of Toronto Scarborough undergraduates

At Daniels, we use the **P**riority Enrolment, **E**nrolment not available via ACORN and **R**estricted Enrolment indicators.

Priority Enrolment provides an opportunity for students in certain groups to enrol/waitlist in the course before others.
The groups listed beside the P indicator are given first opportunity to enrol/waitlist from the first day of course registration until Wednesday, July 29.
Beginning July 31, all other John. H. Daniels Faculty of Architecture, Landscape and Design (ARCLA) undergraduate students, Arts and Science (ARTSC) undergraduate students may enrol/waitlist.
Beginning August 5, all other St. George faculty's undergraduate students may enrol/waitlist.
Beginning Friday, August 7, University of Toronto Mississauga and University of Toronto Scarborough undergraduates may enrol/waitlist.

Enrolment is not available through ACORN.
If additional entry restrictions apply, they will be listed beside the 'E' enrolment controls shown at the course level.
Students may enrol only through the Office of the Registrar, John H. Daniels Faculty of Architecture, Landscape and Design.

Restricted courses are available only to the groups of students indicated beside the 'R' enrolment control shown at the course level.

VIS200 series courses

VIS200 series courses will initially allow only 2nd year Visual Students students to enrol freely in all available spaces. 4th and 3rd year Visual Studies students will be able to enrol in a maximum of half of each VIS200 course' capacity (e.g. 10 (5 year 4 plus 5 year 3) of 20 spaces) until the 2nd year enrolment period ends. As a result, 4th and 3rd year VIS students may find ACORN messaging related to their status on a WAITlist confusing as WAITlists will begin to accrue before a course appears to be at maximum capacity. E.g. ACORN may suggest a waitlist status of '2 of 5 spaces available in your enrolment category' in a VIS 200-series course that appears not to be full. Enrolment controls for VIS200 series courses will be manually adjusted on Wednesday, July 22nd by the end of the day to set enrolment controls at full capacity for all years of VIS students. This will ensure that courses that did not fill with 2nd year enrolments will FIRST be filled in order from the 4th and 3rd year students already on WAITlists before Year 1 enrolment begins on Thursday, July 23.
