Next Steps for Undergraduate Students

Congratulations on your offer to join us at the John H. Daniels Faculty of Architecture, Landscape, and Design for September 2018. Please review the information below as you prepare for your first year at UofT.

Your Offer

If you have not already done so, please follow the instructions included in your admission package to accept your offer of admission by the stated deadline. You will find this on your [Join UofT Portal](#).

Your Housing

If you have requested housing and are offered a place in a residence, your offer will be sent via email directly from the residence. Make sure you accept your residence offer and pay your deposit by the stated deadlines. If you have any questions about your residence offer or would like assistance with your off campus housing search, [UofT Student Housing Services](#) will be able to assist you.

Your Academics

Join us for the Summer Welcome Event & Academic Orientation on the evening of **June 25, 2018**. This session is a great opportunity to learn more about degree requirements, how course selection works, what you can expect in your first year of study, and will give you the opportunity to ask questions and to meet faculty, student services staff, and other students. Further event information will be posted on our [website](#) in June. If you cannot attend the Summer Welcome Event & Academic Orientation, you will find detailed information from the session on our website in early July.

Over the coming weeks you should take some time to familiarize yourself with UofT's online registration and records system, [ACORN](#) (also called the "Student Web Service"). All course enrolment takes place online. Students admitted into first year will begin course enrolment on **July, 26 2018**. It is a good idea to log on to ACORN and choose your courses as soon as your enrolment window begins.

Transfer students admitted into second year begin course enrolment on **July 19, 2018**. Students transferring from another post-secondary institution or UofT division must apply for transfer credits. More information and deadlines are available on our [website](#).

Fall classes will begin **September 6, 2018**.

Your Finances

No matter your finances, take the time to plan out all your expenses and set a budget to ensure you have adequate funding available for the upcoming year. Visit our website for information on [financial aid](#) and check out the [Financial Planning Calculator](#).

If you are an Ontario resident looking for a government loan, start early and apply now for the [Ontario Student Assistance Plan \(OSAP\)](#). If you are from out-of-province, check with your local funding agency about relevant deadlines.

In mid-July, you will be able to view your student fees through [ACORN](#). The first installment of your academic tuition fee will be due in August. Fee deferral requests must also be submitted through ACORN by the same deadline. To find out more about fee deferral eligibility, making tuition payments, and more, visit the [student accounts website](#).

Your Student Life

Prior to the beginning of the Fall term you will need to obtain your [UofT student card \(TCard\)](#), activate your [UTORID](#), and begin using your [UofT email account](#). Your UofT email is your official email account and important information will be sent here. In the meantime, please make sure your alternate email's settings are set to accept emails and attachments from addresses with 'daniels.utoronto.ca' and 'utoronto.ca' domains (check your 'junk' box regularly just in case).

If you are an international student, please look at the pre-arrival guide and next steps available through the [Centre for International Experience](#).

Visit the [Future UofT website](#) to learn about the many programs, services, clubs, and activities UofT has to offer!
