² With the exception of the September external/major fellowships, both internal and external awards will be posted to the student's fees account and will automatically be put towards tuition and/or any outstanding charges. If the award amount exceeds the total tuition fees charged to the account, the student will be issued a refund in the amount of the balance. If the award amount is less than the total amount owed, students must pay the difference by the tuition fee deferral deadline to avoid paying service charges.
