

John H. Daniels Faculty of Architecture, Landscape and Design

2022-23 Fall/Winter Graduate Timetable

A list of all core and elective courses for each graduate program in Architecture, Landscape and Design may be found in the SGS Calendar at: <https://sgs.calendar.utoronto.ca/degree/Architecture,-Landscape,-and-Design> and also at: <https://www.daniels.utoronto.ca/students/current-students/degree-requirements>

The Registrar's Office enrolls all graduate students directly into their core courses during the course of their studies. There are no core courses offered in the Summer session, with the exception of August intensive courses. August Intensive courses are listed under the regular Fall/Winter term, and will be added to your enrolment alongside your core courses. Please contact us at registrar@daniels.utoronto.ca if you have any questions. Graduate Students are responsible for enrolling themselves into Elective Courses via ACORN.

Detailed elective course descriptions can be found at: <https://www.daniels.utoronto.ca/info/current-students/graduate/course-descriptions> as they become available.

Elective courses may also be taken in other graduate units with permission of your Program Director or the Faculty's Interim Graduate Coordinator, Carla Baptista. Enrolment dates and processes required for enrolling are set by each graduate unit.

Daniels' Winter elective Course Enrolment occurs in 'stages' in November via ACORN. At each stage, a new group of students may add electives (and all existing groups continue to be eligible to enrol).
