2023 Summer Graduate Timetable

A list of all core and elective courses for each graduate program in Architecture, Landscape and Design may be found in the SGS Calendar at: <https://sgs.calendar.utoronto.ca/degree/Architecture.-Landscape.-and-Design>

The Registrar's Office enrolls all graduate students directly into their core courses during the course of their studies. Only some MFC, MVS and PhD students are enrolled in core courses in the 2023 Summer session. See the ALD (PhD), FOR (MFC) and VIS (MVS) listings below.

MARC, MLA and MUD students have no core courses offered in the Summer session, with the exception of August intensive courses which are tagged to the Fall session. The August intensives (ARC1021H and ARC2042H for MARC, LAN1041H (August) and LAN1043H (May) for MLA, and URD1021 for MUD) are not included in the timetable below, and are instead included with the regular Fall/Winter course timetables. Please contact us at registrar@daniels.utoronto.ca if you have any questions. Graduate Students are responsible for enrolling themselves into Elective Courses via ACORN.

Detailed elective course descriptions for the Summer session can be found at: <https://www.daniels.utoronto.ca/info/current-students/graduate/course-descriptions> as they become available.

Elective courses may also be taken in other graduate units with permission of your Program Director or the Faculty's Graduate Coordinator, Paula Rayson. Enrolment dates and processes required for enrolling are set by each graduate unit.

Elective Course Enrolment occurs in 'stages'. In each stage, a new group of students becomes entitled to add electives (and all existing groups continue to be eligible to enrol).

The Elective enrolment stages for Summer 2023 are:

Out of Faculty students may request enrolment in Daniels Electives using the SGS add/drop form and these enrolments will be considered following Stage 3. Please send your add/drop form with your home graduate unit approvals already complete at any time to registrar@daniels.utoronto.ca with 'Out of Faculty Course Add Request' in the subject line for review/processing by Daniels and make sure to include the email address for your own Graduate Administrator to whom we will return the approved form to.
