

John H. Daniels Faculty of Architecture, Landscape and Design

2023-24 Fall/Winter Graduate Timetable

A list of all core and elective courses for each graduate program in Architecture, Landscape and Design may be found in the [SGS Calendar](#) and also at the [Daniels website](#).

The Registrar's Office enrolls all Daniels' graduate students directly into their core courses during the course of their studies. There are no core courses offered in the Summer session, with the exception of August intensive courses. August Intensive courses are listed under the regular Fall/Winter term, and will be added to your enrolment alongside your core courses. Please contact us at registrar@daniels.utoronto.ca if you have any questions. Graduate Students are responsible for enrolling themselves into elective courses via ACORN. Detailed elective course descriptions can be found at [Daniels Graduate Course Descriptions](#) as they become available.

Elective courses may also be taken in other graduate units with permission of your Program Director or the Faculty's Interim Graduate Coordinator, Carla Baptista. Enrolment dates and processes required for enrolling are set by each graduate unit.

Daniels' Fall/Winter elective course enrolment occurs in 'stages' via ACORN. At each stage, a new group of students may add electives (and all existing groups continue to be eligible to enrol).

The Elective enrolment stages for Fall 2023 are:

- **Monday, July 24, 6:00 a.m. - 5:00 p.m.:** Ph.D. (AH PHD, FO PHD, FO PHD U); Post Professional M.Arch. and M.L.A. (AH MARC1, AH MLA 1); M.Arch year 4 (AH MARC - Year of Study (YOS) 4); and M.Sc.F. all years (FO MSCF).
- **Tuesday, July 25, 6:00 a.m. - 5:00 p.m.:** M.Arch. year 3 (AH MARC YOS3, AH MARC2 YOS2); M.L.A. year 3 (AH MLA YOS3, AH MLA 2 YOS2); M.U.D. year 2 (AH MUD YOS 2); M.V.S. year 2 (AH MVS YOS2); and M.F.C. year 2 (AH MFC/MFC2 YOS2).
- **Wednesday, July 26, 6:00 a.m. - 5:00 p.m.:** M.Arch year 2 (AH MARC YOS2, AH MARC2 YOS1); M.L.A. year 2 (AH MLA YOS2, AH MLA 2 YOS1); M.U.D. year 1 (AH MUD YOS1); M.V.S. year 1 (AH MVS YOS1); and M.F.C. year 1 (AH MFC/MFC2 YOS1).
- **Thursday, July 27, 6:00 a.m. - 5:00 p.m.:** any/all remaining Daniels graduate students.
- **Friday, July 28, 6:00 a.m.:** Overload requests can be made via ACORN.

Out of Faculty students may request enrolment in Daniels' Electives using the [SGS add/drop form](#) and these enrolments will be considered starting **Tuesday, August 8***. Please send your signed (with your home graduate unit approvals) and completed [add/drop form](#) to registrar@daniels.utoronto.ca with 'Out of Faculty Course Add Request' in the email subject line for review/processing by Daniels. Please also make sure to include the email address for your own Graduate Administrator to whom we will return the approved form to.

***PL MSPL, and CICEMMENC/CICEMMENC 2 (Planning or Cities Engineering and Management graduate) students** may add URD electives using ACORN as of 9:00 a.m. on Tuesday, August 8. An add/drop form will not be required for these non-Daniels graduate programs only. ACORN will provide a status of REQ(uested) if space exists in the class or will provide a status of WAITlisted if space is not currently available. Only once the class appears on your ACORN record with a status of REQ, contact your local Planning/Cities in Engineering Management grad admin to obtain final approval to move the course status from REQuest to active/approved. Pleaes note that a status of REQ occupies a space in the class but your name will not be associated with Quercus or class lists UNTIL your grad admin approves your request.
