
John H. Daniels Faculty of Architecture, Landscape and Design

Summer 2021 Graduate Timetable

A list of all core and elective courses for each graduate program in Architecture, Landscape and Design may be found in the SGS Calendar at: <https://sgs.calendar.utoronto.ca/degree/Architecture,-Landscape,-and-Design>

The Registrar's Office enrolls all graduate students directly into their core courses during the course of their studies. There are no core courses offered in the Summer session, with the exception of August intensive courses. These are not included in the timetable below, and are instead available during the regular Fall/Winter enrolment period. Please contact us at registrar@daniels.utoronto.ca if you have any questions. Graduate Students are responsible for enrolling themselves into Elective Courses via ACORN.

Detailed elective course descriptions for the Summer session can be found at: <https://www.daniels.utoronto.ca/info/current-students/graduate/course-descriptions> as they become available.

Elective courses may also be taken in other graduate units with permission of your Program Director or the Faculty's Graduate Coordinator, Andrea McGee. Enrolment dates and processes required for enrolling are set by each graduate unit.

Elective Course Enrolment occurs in 'stages'. In each stage, a new group of students becomes entitled to add electives (and all existing groups continue to be eligible to enrol). Please note that enrolment pauses at the end of each day (5:00 p.m.) preceding the next stage of enrolment.
