## John H. Daniels Faculty of Architecture, Landscape and Design

### 2019-2020 Graduate Timetable

A list of all core and elective courses for each graduate program in Architecture, Landscape and Design may be found in the SGS Calendar at:  
<https://sgs.calendar.utoronto.ca/degree/Architecture.-Landscape.-and-Design>

The Registrar's Office enrolls all graduate students directly into their Core Courses. Please contact us at [registrar@daniels.utoronto.ca](mailto:registrar@daniels.utoronto.ca) if you have any questions or problems with core course enrolments. Graduate Students are responsible for enrolling themselves into Elective Courses via ACORN.

Detailed elective course descriptions for fall session are available at: <https://www.daniels.utoronto.ca/info/current-students/graduate/course-descriptions>

Elective Course Enrolment opens August 28, 2019 for fall term and will open in mid/late November for spring/winter term on ACORN.

Elective Course Enrolment occurs in 'stages' over four enrolment days. In each stage, a new group of students becomes entitled to add electives (and all existing groups continue to be eligible to enrol).
