
John H. Daniels Faculty of Architecture, Landscape and Design

2021-2022 Graduate Timetable

A list of all core and elective courses for each graduate program in Architecture, Landscape and Design may be found in the SGS Calendar at: <https://sgs.calendar.utoronto.ca/degree/Architecture.-Landscape.-and-Design>

The Registrar's Office enrolls all graduate students directly into their Core Courses. New and continuing students can expect to see their graduate courses appearing on ROSI/ACORN by **early August**. It may take longer for courses to appear for those Continuing students who have fallen out of step with their cohort due to having taken a leave of absence or withdrawing from a core course. Please contact us at registrar@daniels.utoronto.ca if you have any questions or problems with core course enrolments. Graduate Students are responsible for enrolling themselves into Elective Courses via ACORN.

Detailed elective course descriptions for fall session can be found at: <https://www.daniels.utoronto.ca/info/current-students/graduate/course-descriptions> as they become available.

Elective courses may also be taken in other graduate units with permission of your Program Director or the Faculty's Graduate Coordinator, Andrea McGee. Enrolment dates and processes required for enrolling are set by each graduate unit.

Daniel's MARC/MLA/MUD/MVS/PhD Elective Course Enrolment will open in late August for fall term and will open in mid/late November for spring/winter term on ACORN. Further details will be emailed to graduate students as firm dates become available.

Elective Course Enrolment occurs in 'stages' over four enrolment days. In each stage, a new group of students becomes entitled to add electives (and all existing groups continue to be eligible to enrol).

Electives enrolment stages are:
