

John H. Daniels Faculty of Architecture, Landscape and Design

2022-23 Fall/Winter Graduate Timetable

A list of all core and elective courses for each graduate program in Architecture, Landscape and Design may be found in the SGS Calendar at: <https://sgs.calendar.utoronto.ca/degree/Architecture,-Landscape,-and-Design>

The Registrar's Office enrolls all graduate students directly into their core courses during the course of their studies. There are no core courses offered in the Summer session, with the exception of August intensive courses. August Intensive courses are listed under the regular Fall/Winter term, and will be added to your enrolment alongside your core courses. Please contact us at registrar@daniels.utoronto.ca if you have any questions. Graduate Students are responsible for enrolling themselves into Elective Courses via ACORN.

Detailed elective course descriptions can be found at: <https://www.daniels.utoronto.ca/info/current-students/graduate/course-descriptions> as they become available.

Elective courses may also be taken in other graduate units with permission of your Program Director or the Faculty's Graduate Coordinator, Andrea McGee. Enrolment dates and processes required for enrolling are set by each graduate unit. Where non-Daniels elective graduate courses are available via ACORN, enrolment is available starting July 4, 2022.

Daniels' elective Course Enrolment occurs in 'stages' in August. At each stage, a new group of students becomes entitled to add electives (and all existing groups continue to be eligible to enrol).

The Elective enrolment stages for Fall/Winter 2022-23 are:

- **Stage 1 - Date to be decided:** M.Arch. year 4 (AH MARC YOS4, AH MARC2 YOS3); and M.Arch. year 3 (AH MARC YOS3, AH MARC2 YOS2).
- **Stage 2 - Date to be decided:** M.Arch year 2 (AH MARC YOS2, AH MARC2 YOS1)
- **Stage 3 - Date to be decided:** any/all remaining Daniels graduate students.

Out of Faculty students may request enrolment in Daniels Electives using the SGS add/drop form and these enrolments will be considered following Stage 3. Please send your [add/drop form](#) with your home graduate unit approvals already complete at any time to registrar@daniels.utoronto.ca with 'Out of Faculty Course Add Request' in the subject line for review/processing by Daniels and make sure to include the email address for your own Graduate Administrator to whom we will return the approved form to.
