Course/Section Code and Title

You may review the course description related to any undergraduate Daniels course at: <https://daniels.calendar.utoronto.ca/course/CourseCode> by replacing 'CourseCode' with the eight digit course code, e.g. ARC100H1/VIS431Y1.

The final letter of the course code is the section code:

F indicates that the course meets in the fall/first session (May and June);

S indicates the the course meets in the spring/second session (July and August); and,

Y indicates the course meets through the full academic year/session (May to August).

The first line of each course title matches the course title found within the [Daniels Faculty Undergraduate Academic Calendar](#). A subtitle, which gives additional information about a course meeting section, may or may not also be shown.

Mtg. Sec. (Meeting Section)

Each course has a primary meeting type in which students enrol via ACORN and may also have a secondary meeting type.

At Daniels, when courses have both a **P**RActical component and **L**ECture, the PRActicals are the primary meeting type and the LECtures are considered the secondary meeting type; and, where courses have both a LECture and TUTORial meeting type, the LECture sections are the primary meeting type. On ACORN, you must request your primary meeting type for a course first by choosing one primary meeting section and then choose one secondary meeting type section. ACORN will allow students to waitlist only for primary sections.

Where you find more than one primary section (LEC/PRA) listed, select the one that is offered at the time most convenient for your schedule. Follow the same logic for choosing your secondary section and remember that you must enrol in both LEC&TUT or PRA&LEC where they exist.

E.g. for JAV130H1S, choose one of the LECture meeting sections first and then add on one TUTORial meeting section.

Day, Time, Location and Instructor

The day of the week is represented by the leading letter of each weekday (except for Thursday), i.e. **M**onday/**T**uesday/**W**ednesday/**Th**u**R**sday/**F**riday. Course meeting times are shown using a 12 hour clock format with am/pm.

Each meeting location consists of a two letter building code followed by a room number or a TBA. Building locations can be found at: <http://map.utoronto.ca/>

Room descriptions for buildings other than **D**Aniels (1 Spadina Cres.) can be found at: http://osm.utoronto.ca/class_spec. This website includes Accessibility information related to rooms, buildings and building amenities.

When known, instructors are listed. Many Daniels' instructors have profiles and contact information available at: <https://www.daniels.utoronto.ca/people>

Enrolment Controls

N.B. The ACORN system does **NOT** check prerequisites/corequisites and exclusions in real time when enrolling in courses. Students are responsible for fulfilling prerequisites and co-requisites; students enrolled in courses for which they do not have the published prerequisite or co-requisites may have their registration in those courses cancelled at any time without warning. If you have been granted a waiver for any prerequisite/corequisite/exclusion, please ensure that a copy of your waiver is on file with the Office of the Registrar **BEFORE** enrolling in your course.

Course registration begins Friday, March 1.

Friday, March 1	Summer course registration begins. Check 'start time' for enrolment time
Wednesday, March 6	Course enrolment paused starting at noon
Thursday, March 7 from 6:00 a.m.	Priority courses become available to all John. H. Daniels Faculty of Architecture, Landscape and Design (ARCLA) and Arts and Science (ARTSC) undergraduate students

At Daniels, we use the **P**riority Enrolment, **E**nrolment not available via ACORN and **R**estricted Enrolment indicators.

Priority Enrolment provides an opportunity for students in certain groups to enrol/waitlist in the course before others.

The groups listed beside the P indicator are given first opportunity to enrol/waitlist from the first day of course registration until noon on Wednesday, March 6. Beginning Thursday, March 7, all other John. H. Daniels Faculty of Architecture, Landscape and Design (ARCLA) undergraduate students and Arts and Science (ARTSC) undergraduate students may enrol/waitlist.

Beginning Wednesday, April 17, University of Toronto Mississauga and University of Toronto Scarborough undergraduates may enrol/waitlist.

Enrolment is not available through ACORN.

If additional entry restrictions apply, they will be listed beside the 'E' enrolment controls shown at the course level.

Students may enrol only through the Office of the Registrar, John H. Daniels Faculty of Architecture, Landscape and Design.

Restricted courses are available only to the groups of students indicated beside the 'R' enrolment control shown at the course level.
